Rabbinical comments and a variety of traditions provide clarity and credibility to the study of Sabbath. **In the Fever of Love**-Shefa Gold 2009-01 You don't have to be a mystic to

enjoy Rabbi Shefa Gold's new commentary on the Song of Songs, but it may make you into one. Rather than address herself to the reader, she speaks directly, and passionately, to God, The Beloved. She invites us to share in her conversation with life itself, with the mystery that wells "at the center of every molecule, at the heart of my being." **IN THE FEVER OF LOVE** breathes new life into the ancient practice of both Jews and Christians to read the Song as an allegory of the love between God and human beings. This rich, poetic text can be used for pondering, praying, and perceiving life in a deeper way by people of any faith, but remains deeply rooted in Judaism's down-to-earth approach to the world. Rabbi Gold brings a modern psychological awareness to this ancient text. For those who want specific directions, she appends ten "commandments" from the Song which can be maxims for daily living.

**The Jews of Silence**-Elie Wiesel 2011-08-16 In the fall of 1965 the Israeli newspaper Haaretz sent a young journalist named Elie Wiesel to the Soviet Union to report on the lives of Jews trapped behind the Iron Curtain. "I would approach Jews who had never been placed in the Soviet show window by Soviet authorities," wrote Wiesel. "They alone, in their anonymity, could describe the conditions under which they live; they alone could tell whether the reports I had heard were true or false—and whether their children and their grandchildren, despite everything, still wish to remain Jews. From them I would learn what we must do to help . . . or if they want our help at all." What he discovered astonished him: Jewish men and women, young and old, in Moscow, Kiev, Leningrad, Vilna, Minsk, and Tbilisi, completely cut off from the outside world, overcoming their fear of the ever-present KGB to ask Wiesel about the lives of Jews in America, in Western Europe, and, most

of all, in Israel. They have scant knowledge of Jewish history or current events; they celebrate Jewish holidays at considerable risk and with only the vaguest ideas of what these days commemorate. "Most of them come [to synagogue] not to pray," Wiesel writes, "but out of a desire to identify with the Jewish people—about whom they know next to nothing." Wiesel promises to bring the stories of these people to the outside world. And in the home of one dissident, he is given a gift—a Russian-language translation of *Night*, published illegally by the underground. "'My God,' I thought, 'this man risked arrest and prison just to make my writing available to people here!' I embraced him with tears in my eyes."
